

# Daniel Collinet

Likely active period:

**1810 - 1825**

Born/baptised : Unknown

Died : Unknown

Born at Liege (Belgium).

I have only come across a few tablespoons in the Fiddle and Old English patterns on the market, as well as a silver mount on an earthenware pipe. Notice the French form of the fiddle pattern spoon illustrated, with a very soft shoulder.

Welz illustrates a sugar basket of rather curious form, with long legs, beaded borders and drop-ring handles.
